

Quality Policy

IEPERBAND NV

The daily challenge to deliver a **HIGHLY QUALITATIVE SAFETY PRODUCT** in the spirit of persevere flexibility towards the customer makes a quality management system indispensable.

Integral quality care can only thrive when it's at the core of the company culture, goal is to continuous improve the quality system.

With next **IEPERBAND** keywords:

- Ideas of all employees are welcome
- Efficient labour
- Problem-solving mindset
- Establish teamwork
- Reach goals, achieve key performance indicators
- Build reliability towards customer
- Accurate work towards the customer
- Non-stop improvement
- Decrease and eliminate non-quality

Our goal is the **BEST QUALITY** in a **PRODUCTIVE ENVIRONMENT**

We want to achieve our **Quality policy** by implementing and applying an effective quality management system conform IATF 16949 and the customer specific requirements.
